Morning Assembly

Find your way to the Great Room every morning after breakfast and before Core Class to hear the day's announcements. Be in the know!

Recording with Your Heroes

Each instructor will be recording with a group of 5 or 6 campers – this is determined by a drawing that happens on the first day of camp. You will have scheduled time each day to connect with your instructor/recording group to decide on a tune and get an arrangement together. If you ask nicely, you might have the option of additional rhythm guitar, fiddle, or vocals on your recording. On the day of the recording, all the campers will gather in the studio (Andy's House) for a brief workshop on the recording process and then each of the groups will record their song – each group can take a couple of passes at the recording so there's no need to be nervous. Before and after the recording time, all instructors will be selling their incredible recordings and instructional materials up in the Great Room. Don't miss that!
